

## **Junior Front-End Web Developer**

You are a young professional, you are focused on client satisfaction and you want to become a developer of web applications. You have experiences with PrestaShop and web technologies such as PHP (Zend framework), HTML5, JavaScript / jQuery and CSS. You are familiar with system administration on Linux.

### **Education/experience**

- You have a relevant bachelor's / master degree and/or a relevant portfolio in web development to convince us of your drive and potential
- A first experience is a plus but is not mandatory

### **Technical skills**

- PHP/ HTML5/ CSS3 with experience in Zend Framework
- JavaScript / jQuery
- PrestaShop
- C# (experience with Xamarin is a major plus)
- System Administration (Linux with cloud technologies)
- Web design and basic graphical skills are a plus

### **Softs skills**

- You greatly appreciate quality and continuous improvement
- You can work independently and like to work as a team-member too
- You are a self-starter and have endless interest in the latest trends in (web) technologies and developments
- You are familiar with mobile app developments
- You have interest in sport competitions
- Amateur of Meteorology and/or Sailing is a plus

### **Language skills**

- You are a strong and structured communicator, fluent in FR and EN
- Knowledge of any other language is a plus

### **About Great-Circle**

- Great-Circle is a young Belgian company specialized in weather marine forecasts for professional sailors (leisure, sports and commercial). We produce our own high resolution weather data, satellite images and we share them through proprietary applications (Web, PC, Mobiles)
- We are the exclusive provider or prime supplier for the major races in the world (Volvo Ocean Race, Vendée Globe, Sidney- Hobart, Route du Rhum, Transat Jacques Vabre, Olympics, etc)
- We have supported establishing numerous world sailing speed records since 2010
- We are located in Rixensart, Belgium.
- <http://www.greatcircle.be> & <http://www.squid-sailing.com>
- Candidates submit a letter of motivation and a CV to Mrs Patricia Piemonte ([patricia@greatcircle.be](mailto:patricia@greatcircle.be))
