

As part of the Duferco Group, Duferco Wallonie is an SME that develops activities in the sectors of brownfield reconversion, energy (generation and sales of energy and green certificates) and logistics (water and rail transport, intermodal handling, logistics services, etc.). It is constantly looking for new initiatives in different technological fields.

To ensure the development of its logistics activities at Garocentre Multimodal Terminal in La Louvière, Duferco Logistique is looking to recruit a:

PLANNING MANAGER (H/F/X)

YOUR RESPONSABILITIES

After an internal training on the various terminal positions :

- You will be responsible for the encoding, planning and follow-up of transport orders; You will ensure that deadlines are met, that the quality of service to the customer is maintained and that safety rules are respected - You will monitor the planning of the various modes of transport - barges, trains and trucks - as well as the quay planning
- You will ensure that documentation is drawn up. - You will keep a permanent inventory of goods at the terminal and in the warehouses
- You will ensure the application of operational and administrative procedures
- You will also ensure a customer service and develop up a professional relation with all Duferco's customers and suppliers

YOUR PROFILE

You have a bachelor's degree in transport and logistics or equivalent through experience. A first experience in the maritime and port sector is a plus.

Skills :

- Fluent in French or Dutch and have a good knowledge in Dutch/French and English
- Rigorous, organised and precise, analytical mind
- Autonomous, very proactive
- Communicate easily
- Available and flexible in order to adapt to the schedules of the logistics sector and the needs of the customers
- Stress resistant
- Motivated by development prospects offered by a fast-growing business

WE OFFER

We are offering you a job in a fast-growing sector and company, with a potential of evolution and a salary package in line with your qualifications, including various extra-legal benefits (intervention in travel expenses, meal vouchers, eco-vouchers, group insurance, hospital insurance).
