

Company Profile:

Founded 8 years ago, Fairoils (www.fairoils.com) is a young and dynamic company that has experienced extensive and sustained growth. Fairoils is a leader in ethically produced essential and vegetable oils, processing raw materials grown on its own plantations and through partnerships with small-scale farming co-operatives.

Fairoils supplies ingredients to and is partnered with many internationally recognized brands who value Fairoils' sustainable, transparent, and ethic supply chains. Many of our products are sourced via a network of over 10,000 small-scale farmers in Kenya, Uganda, Tanzania and Madagascar.

Fairoils has sister companies in Kenya and Madagascar with farms, factories, offices and colleagues spread out across the wider group.

Position: Quality & Certification Manager

We are looking for a full-time position which will be based in our office located in Avenue de l'innovation 5, 7822 Ghislenghien, Belgium.

The Belgium subsidiary is our distribution hub in Europe from where we deliver our vegetable and essential oils to customers worldwide.

The position reports to the Quality & Regulatory Affairs Director based in Kenya with a dotted line to the Belgium COO.

Job Duties:

- Assure the activity is compliant with its ISO9001, IFS GM food, organic- and FFL certifications.
- Cover certifications related tasks like :
 - a. Product approval based on internal and external laboratory results and on internal verifications
 - b. Documentation reviews (procedures, specifications, ...) and related trainings in collaboration with HR
 - c. Establish a monitoring plan for possible contaminants with the Kenyan & Madagascan colleagues.
 - d. Perform quality control tasks (external & internal audits, complaints, traceability, ...)
 - e. Assure the continuous improvement
- Assure the companies REACH compliance.
- Support replying to product related customer requests

Your profile:

- Ideally a food industry related University degree.
- Five years experience in the food or cosmetic sector.

- Experienced in
 - o establishing and maintaining food grade / quality related certifications like ISO9001 or IFS.
 - o Change management.
- Very good English and French skills in speaking and writing.
- Convincing, proactive and a very well organised personality.

Our offer:

- Permanent contract
- Great working atmosphere in an international team.
- Attractive salary package with flexible working hours.

If you like to become part of our exciting venture please send your application (motivation letter, CV, references) and your salary expectations to info@fair oils.com
