

Dear Junior Accountant,

You are about to enter in our positive world...

We are an independent global technology group delivering end-to-end technology solutions through a global delivery model.

We invest our efforts in unlocking the full potential of not only our clients, but also that of our employees by providing them with an evolving environment that encourages collaboration, creativity and a positive mindset.

Sectors that benefit include banking and financial services, insurance, healthcare, retail, transportation, telecoms and the public sector. We serve each of them with a meaningful and collaborative mindset, always keeping our historic motto in mind:

Collaboration betters the world.

WHO ARE YOU & WHAT ARE YOUR SKILLS?

The perfect match exists and who knows, maybe it's you!

A few things that are definitely **important**:

- You have a **bachelor degree** in accounting.
- Computer skills are mandatory for all our employees. A good knowledge of MS Office (Word, Excel, PowerPoint, Outlook) and a first experience with Dynamics Nav will be an added value;
- As communication is one of the core tasks you speak fluently English and French/or Dutch.
- You are flexible and have a positive "can do" attitude and good developed interpersonal skills or so-called "people skills".
- To succeed in this position, you have a strong taste for human relations, teamwork and operational aspects.
- You have a strong professional conscience and are recognized for your rigor, initiative and synthesis;

You fit with the upper perfect-match-description?

Then keep on reading !
