

FINANCIAL ACCOUNTANT

Your responsibilities

As Financial Accountant you are responsible for executing the periodic Financial Accounting process of one or more assigned legal entities (or part of a legal entity) in order to deliver timely, complete and accurate financial figures to the Controlling & Reporting department in accordance with IFRS, statutory and Ahold Delhaize group rules.

You are also responsible for carrying out strong internal controls and participating in projects within your own functional domain, in support of a smooth, timely and correct monthly closure.

- **Financial closing process & analysis of balance sheet accounts**
 - You execute the periodic (monthly, quarterly, annual) closing process.
 - You analyze the balance sheet and profit and loss accounts.
 - You reconcile ledger accounts.
 - You reconcile GAAP differences (between BEGAAP & IFRS), analyzing and explaining any anomalies.
- **Optimisation**
 - You initiate, develop and implement new methods / processes / procedures in order to guarantee efficient and effective Financial Accounting processes.
 - You improve the Financial Accounting process for assigned legal entities (or part of a legal entity), identify them, develop proposals and submit to management.
- **Projects**
 - You develop and follow up projects.
 - You participate in project teams with an impact on financial reporting.

Your profile

- You have 1 – 5 year experience in accounting/audit or a similar function in an international company.
- You have knowledge of IFRS, BEGAAP and international control procedures.
- You have strong analytical skills and are result driven.
- You are able to work independently, but you are also a team player.
- You are eager to learn, flexible and open for new challenges.
- You are enthusiastic, you demonstrate initiative and creativity with further potential.
- Experience with SAP FI/CO is a plus.
- You have good knowledge of Dutch, French and English.

Our offer

An attractive salary with extra-legal advantages, real career opportunities, a nice work atmosphere et pleasing colleagues. At Delhaize, you will not only have the challenge, but also the fun.
